North Carolina legislation requires Public Schools to open for students no earlier than the Monday closest to August 26, complete a minimum of 185 days or 1,025 instructional hours, and end no later than the Friday closest to June 11. Excessive days missed for inclement weather may have to be made up during spring break. Employees and parents should always be cautious about scheduling activities on teacher workdays and annual leave days, including spring break as these days may be used to make up days missed.
